

We're happy to report that God is changing lives for eternity through 3ABN Canada! Consider the striking impact of 3ABN Canada's virtual Bible Study Initiative on one man's life.

Three Dreams in Three Nights: Mohamed's Journey

At his first Bible study, Mohamed was emphatic: "If you teach me the Bible, from the Bible, and nothing else, I will follow you!" he exclaimed; to which we replied that we indeed would teach him only the Bible—and that in doing so, he would find Jesus and join us in following Him.

"Well, I'm a Muslim," he replied, adding that he'd studied with the Jehovah's Witnesses and the Mormons already. Then, since he was not satisfied with any religion, he decided to be an atheist.

"But the very day I made this decision, I saw your ad," he continued. "I saw you, Craig, walking through the woods, holding out a Bible and saying that all the answers to my questions are in that Book. And suddenly, I thought, 'You haven't really tried the Bible. Try the Bible.'"

Today, after months of a deepening friendship, Mohamed's eager desire is to be baptized in his SDA church family in Montreal, Quebec.

One day, he explained that just after we began studying with him, he found himself asking God why he should take part in these studies. After all, he was born Muslim and had turned atheist. So why become a Christian?

Shortly after that, he had a dream where he met a wise old man, Mohamed relates: "It was very clear, he said: 'Accept what those people tell you, and believe everything they say.' I think that's how God deals with humans. He always keeps it simple!"

For three nights in a row, he had the same dream. The same man. The same message. "I could not deny it, so that's what I did. I believe anything He puts in my way through the teaching of people like you, Craig and Dawna, and Pastor Remy. When I go to church, I accept the teachings there, too, as I pray for the Holy Spirit to fill me with wisdom.

"I'm not happy anymore. I'm just blessed! And being blessed is a whole different level above being happy!"

When Craig and Dawna Cleveland met Pastor Remy Balais for the first time last June at the General Conference Session in St. Louis, Missouri, it was such a joy! This is the dear man who took our long-distance, virtual efforts and went to personally bring Mohamed to church, involve him in a local Bible study, and prepare him for baptism.

Catholic Priest Baptized—Update

A few months back, we shared the story of Javaid, who left the Catholic priesthood and was baptized into the new truths he found in our virtual Bible studies—truths he'd begun preaching in all six of his Catholic parishes. We're happy to tell you that he's still very active in sharing the truth, working with a team of 3 others, holding Bible studies each week, and fixing up a home to be used for Bible studies!

Mohamed had almost given up hope in finding truth.

"A rich reward will be given to the true workers, who put all there is of them into the work. **There is no greater bliss on this side of heaven than in winning souls to Christ.** Joy fills the heart as the workers realize that **this great miracle could never have been wrought by human agencies**, but only through the One who loves souls ready to perish. The divine presence is close beside every true worker, making souls penitent. Thus the Christian brotherhood is formed. **The worker and those worked for are touched with the love of Christ.** Heart touches heart, and the blending of soul with soul is like the heavenly intercourse between ministering angels."

THANK YOU! THIS will allow us to GROW this new network that is already SURPRISINGLY effective!

We have mailed out tens of thousands of attractive Bible Study interest cards, but social media is taking the winning bid for drawing in a steady stream of new virtual Bible Study interests. Here are some amazing statistics that reveal God's blessings and highlight the faithful, targeted, and strategic work of Lily, our Social Media Manager. Thank you, Lily, for your faithful work!

God led us to discover, quite unintentionally, a more effective way of engaging Canadians in Bible studies—our Bible Alive platform. While our 3ABNC social media platform and ads have been performing extremely well, Bible Alive has far out-stripped our best efforts on our 3ABNC platforms.

As we share studies, train leaders, and run ads, at all levels, we are constantly working to improve our interactions and raise our success rates. God is blessing and we are most grateful for our deeply invested and self-sacrificing virtual Bible Study Leaders!

Currently, 35 precious souls are long-term faithful students every week and new study interests are signing up every day!

A Glimpse at a Recent Bible Study Sign-up

"Hello Dawna, Thank you so much for your quick reply and for letting me know you will be praying for me too! It is my desire to be connected with a virtual Bible study leader, please.

I admit I have not been to any SDA church in my area before. It would be an answer to prayer to find one locally and someone to fellowship with also. I often speak with my dad who has not been baptized as a Seventh Day Adventist, yet, but has embraced its teachings for years."

This interest has enjoyed his first virtual study and has been in DAILY contact with his Bible study leader since that study. Also, his father plans to join the studies, too. Praise God!

Streams of Light Mission Trip

31,000+ copies of our 3ABNC-Edition the Great Controversy and health magazines were distributed by Calgary Central SDA in a Streams of Light International Mission Trip event (these printed materials were gifted by 3ABNC for this event)

Our virtual Bible Study team developed a special sign-up on our 3ABNC Bible Study Portal to add an “In Home” study option for the volunteers to use as they signed up interests at the doors.

- We trained virtual Bible Study Leaders for this event from that local church.
- All virtual Bible study interests from this book distribution were coordinated by 3ABNC.

3ABN Canada with the 3ABN World Team at the 62nd General Conference Session of the Seventh-day Adventist Church, St. Louis, Missouri, USA

Craig & Dawna had the privilege of representing 3ABN Canada along with the 3ABN World team at the GC Session.

Craig and Dawna at the 62nd General Conference Session of the SDA Church.

Our greatest joy was meeting some of our Bible study leaders and Pastor Remy Balais! It was thrilling to see the glow of enthusiasm on their faces. Pastor Remy has personally taken special interest in Mohamed in Montreal to take him to church faithfully and is working along with another pastor to prepare him for baptism.

Crowds at the GC Session swelled to 50,000 the closing weekend and we invited all the Canadians, and more, who stopped by our exhibit, to join up as Bible study leaders. You too can have this thrill! It is so easy that we can train you in a matter of 15 minutes. Please consider it!

As we consider what God is doing through our broadcast, our programs, the virtual Bible studies, and more, we praise God. We are moving forward in a leap of faith to expand because we feel compelled to do more on every front. Please pray for each of our programs, and if possible, please give to support our work to share the Three Angels' Messages in Canada and beyond!
